

## OVERVIEW

This new custom extraordinary home is located in famed Trousdale Estates in the City of Beverly Hills. The contemporary property was thoughtfully designed by Ames-Peterson International. The tastefully pleasing finishes are rich in texture with amazing quality providing sophisticated elegance. As you enter through the 10 foot glass pivot door you experience an warm and open floor plan accented by basalt stone floors, beautiful book-matched Black Phantom leather textured stone fireplace, designer lighting and disappearing automated Fleetwood doors allowing coveted indoor/outdoor living with maximum tranquility. The lush outdoor oasis features a zero-edge saltwater pool with Baja entrance, spa and waterfall that spills to the playful lower level. An enhanced outdoor entertainer's dream space with a built-in BBQ island, outdoor TV and enough seating for all your family and friends. ...
