

OVERVIEW

Welcome to this Contemporary New Construction Gated Estate, located on Arden Road, a premier street near Caltech and The Huntington Library, Art Museum, & Botanical Gardens. This magnificent property presents a rare opportunity to indulge in the epitome of sophistication and minimalist design. Set on a knoll above street level, this south-facing home offers a total of 6,000 SF of living space. Every detail has been thoughtfully executed and no expense spared. The gated entrance leads to a landscaped circular driveway and attached garage. The Rismondo Design interior seamlessly blends modern amenities with classic craftsmanship, featuring soaring ceilings, custom millwork, flush to wall doors by Bluinterni Italy and Croatian oak wood floors throughout, and lighting fixtures from Masiero, Gervasoni, and Artemide. The spacious family room, living room and dining room offer ...
