

OVERVIEW

Impeccable Modern Farmhouse in the coveted palm tree-lined Oval District, also known as the “Beverly Hills of Mar Vista”. Pristine landscaping and an olive tree invite you into a stunning 2021 custom-built home. Guests are welcomed by European oak wood floors, soaring high ceilings, & luxurious finishes throughout. The unique wide entry flows into a spacious formal living room with custom built-in cabinets accompanied by a gorgeous interior courtyard. The chef’s kitchen boasts quartz countertops, double island, Subzero & Thermador stainless steel appliances. Oversized sliding glass doors open up this stunning home to a flawless backyard perfect for indoor/outdoor entertaining. A downstairs en-suite complete the main floor. Upstairs through the floating staircase, the romantic primary suite showcases a two way fireplace, oversized balcony overlooking the pool ...
