OVERVIEW

Welcome to this charming 3-bedroom, 2-bath Ventura home that perfectly embodies the essence of comfort, style, and convenience. Nestled in a prime east-side location, this well-maintained gem offers a delightful combination of indoor and outdoor living, ensuring a truly enchanting experience. The heart of the home is the open-concept living area, where natural light cascades through large windows, infusing the space with a bright and airy feel. This versatile area seamlessly connects the living room, dining room, and kitchen, making it an ideal setting for entertaining guests or spending quality time with loved ones. Whether you're hosting a dinner party or enjoying a relaxed evening at home, this open floor plan caters to your every need. The three well-proportioned bedrooms provide comfortable retreats for everyone in the household. The primary suite, in particular, is a ...
