

OVERVIEW

Located in the heart of Downtown Long Beach is a desirable and secured building named Pacifica. Situated on The Promenade, just blocks away from the waterfront marina and the beach. This amazing, two-story, corner unit has double-pane, floor-to-ceiling windows, and with a southern exposure there is plenty of natural sunlight to enjoy. This well-designed 3-bedroom, 3-bath townhouse-style condo also has two large balconies offering plenty of space to relax and to entertain with family and friends. Entering on the top floor, a modern kitchen with stainless steel appliances, granite countertops and a center island with bar seating. As part of the open floor plan, the living room boasts a bonus nook, perfect for a work space, dining room or bar for entertaining. From the living room, step out onto the spacious open-air balcony to take in the full sun and ocean breezes. In ...
