

OVERVIEW

This beautifully updated home nestled in the coveted Golden Hills of Redondo Beach features a traditional floor plan with ALL bedrooms upstairs. Large 3 bedrooms, 2.5 baths with high ceilings and beaming wood floors. This light & bright open floor plan is perfect for entertaining. Remodeled kitchen features stainless steel appliances and gorgeous quartz countertops. The living room opens to a private large backyard, perfect for enjoying a sunny afternoon and ocean breeze. The spacious primary bedroom features a soaring beamed ceiling, walk-in closets, a balcony, and an updated primary bathroom. The primary walk-in closet includes built-in cabinetry to provide ample storage space. Attached 2-car garage with an electric car charger and plenty of additional overhead storage space. AC with NEST thermostat and Ring Doorbell. With easy access to freeways, a short distance to Jefferson ...
