

## OVERVIEW

Stunning, brand new single-story modern home on a prominent enclave of Woodland Hills. Inviting curb appeal leads guests with a lush lawn, expansive circular driveway, and covered entrance. The great room has soaring vaulted ceilings, wide plank European Oak floors, and custom built-ins throughout. The Gourmet Chef's kitchen with stone counters, stainless steel appliances and large center island is complete with a breakfast bar. The exquisite master suite features access to the backyard, walk-in closet, and spa-like master bath with soaking tub, glass shower, and dual vanity. Two guest rooms complete the main sleeping quarters, while a third sits quietly apart, ideal for in-laws, guests, or maids quarters. A state of the art movie theatre with elevated seating and designer lighting completes this home. Outside the spacious entertainers yard has a sparkling pool with elevated ...
