

OVERVIEW

This breathtaking Calabasas new construction offers an ultra-private universe exceeding all expectations. Perched high atop one of the most elevated promontory sites, this stunning, sleek, progressively designed estate is set behind the gates of the exclusive 8 home enclave of Country Ridge Estates. A modern Spanish which sets a new standard of elegance featuring astounding 360-degree panoramic views, soaring 24'-foot ceilings, rare designer finishes throughout and nearly every luxury amenity imaginable. 7 spacious en-suite bedrooms, 9 bathrooms, over 9000 square feet of luxury living space, expansive covered patios and terraces and a 11.11 acre lot combine to create impeccable living at its finest. Enter through a massive steel and glass pivot door into the magnificently scaled grand entry to the great room with its two-sided stone-faced feature fireplace and an abundance of ...
