

## OVERVIEW

Entering the grand gates, sits this beautiful authentic mediterranean home, one of 4 private residences, in the prime location of Bel Air. Beyond the great foyer is a large entertainers dream space, with multiple outdoor areas including a plush front yard with wet bar and a backyard which includes fire-pit, pool and spa with hill and tree top views. Inside you have high ceilings, hardwood floors throughout, a double sided fireplace between the formal living room and lounge leading to a wet bar with ice maker and mini fridge. European doors open to the pool, spa and fire pit area, making this easy for entertaining guest and enjoying the indoor/outdoor lifestyle. Chefs kitchen features separate breakfast room, a breakfast bar, and top of the line stainless steel appliances. The master suite highlights a mini-bar, fireplace with stone mantel, his and hers closets, master bath with ...
