## OVERVIEW

Unobstructed ocean views are the focal point of this homes' meticulously laid out floor plan. Wrought-iron doors open to reveal a two story vaulted entryway that welcomes you into this home's modern layout with perfect flow. At the center of this home is an open-concept family room and kitchen where ocean views can be enjoyed through oversized glass sliding doors and meals can be prepared in the state-of-the-art chef's kitchen with WOLF and SubZero appliances. The dining and living room serve as additional entertaining rooms with sleek stone fireplaces, views, and multiple walkouts offering seamless indoor-outdoor integration. A powder room and one bedroom en suite complete the main floor, while four additional bedroom en suites lie upstairs. Each has its own walk-in closet and balcony access. Some of the best ocean and golf course views this neighborhood has to ...
