

OVERVIEW

Sleek, modern, and fun are just a few words that begin to describe this modern French farmhouse, fresh to the desirable Sherman Oaks market. At first glance, the large unique entrance with a contemporary chandelier giving light to a neat stone wall makes a statement like no other, teasing for what is to come inside. Inside the stunning two-story home, guests are greeted by Sahara oak wire-brushed hardwood floors, designer lighting and finishes throughout. The sleek design of this home offers a spacious open concept layout that effortlessly intertwines the living and dining room spaces which impress with a fine accent stone wine wall, and ceiling speakers. Continue into the gourmet kitchen that is outfitted with custom cabinetry, quartz counters, ceiling speakers, and a high-end Thermador appliance package pleasing the inner chef in all of us. The family room boasts a stunning large ...
