OVERVIEW

This Mid-century modern home offers a fully renovated, spacious open floor plan in the coveted Malibu West community. The wrap-around floor-to-ceiling windows light up the interior of this chic single story home, designed with an Atrium floor plan and wood beamed ceilings. A large open living area features a two-sided gas fireplace with both a cozy family room and expansive living room for formal entertaining. The updated kitchen has a suite of luxury appliances, flowing into the glass walled dining room with tranquil garden views. Down the hallway are three spacious bedrooms, including a primary suite with walk-in closet and spa-like bath, in addition to a home office/private bedroom off the courtyard. This prime location delivers all of the riches of this neighborhood (private beach club, schools, tennis courts, shopping, restaurants) that make the Malibu lifestyle so desirable. ...
