## OVERVIEW

Brand new quality construction just steps to downtown, the beach and the greenbelt. This 3 bedroom 2 ½ bath contemporary styled townhome features wide white oak planks throughout, Anderson dual pane windows, solid oak interior doors and is an automated “smart home”. Just a few features: unlock the front door, open the garage, adjust the temperature and alarm your home from your phone. The living room, dining room and kitchen all have high vaulted ceilings perfect for entertaining. A gorgeous focal point is a gas fireplace with floor to ceiling Italian metallic glazed tile. Prepare gourmet meals in a kitchen fit for a chef with Viking Professional stainless appliances including the stove, side-by-side refrigerator, dishwasher and microwave. The kitchen island is perfect for serving or as a breakfast nook. Retire to the master suite featuring a gas fireplace, walk in closet, a ...
