OVERVIEW

Set behind lush hedges in the vibrant pocket of the Melrose/Beverly Grove area, this sophisticated, modern single story Spanish home has been updated and expanded to be your sanctuary in the heart of LA. The inviting front porch leads to an elegant living room with hardwood floors and coved ceilings, all illuminated by a large arched window & accented by a brick fireplace and built-in shelves. This open floor plan continues through an archway to the formal dining room. The designer kitchen, boasting high-end stainless steel appliances and large breakfast bar is the heart of the home. Two bright bedrooms share a hall bathroom with marble countertops, subway tile shower over a deep tub and skylight. The generous sized master is complimented by a walk-in closet and en-suite bathroom with a spa tub, shower and dual sinks. French doors open to a newly built cedar deck perfect for ...
